

Local officials in the Auburn/Opelika area who have indicated a willingness to write Eagle Scout congratulation letters are listed below with their e-mail addresses. Mayor Anders and Representative Lovvorn can provide proclamations honoring the new Eagle Scout. However, allow enough lead-time for them to process these requests before the date of the Eagle Court of Honor.

Please let us know if any of the addresses do not connect or if the person wishes to be removed from the list.
